REMARKS:

Pursuant to the authority granted the Chairperson by the Board of Land and Natural Resources at its meeting of January 11, 1980 and the breach provision contained in General Lease S-4138, Merlin Keaulana-Dyball and Moana Keaulana-Dyball, Lessee, was served a Notice of Default by certified mail dated 11/21/05 for:

- ☒ Failure to keep lease rental payments current
- ☐ Failure to post required performance bond
- ☐ Failure to post required fire insurance policy
- ☐ Failure to post required liability insurance policy

Said notice, accepted by the Lessee on 10/22/05, offered the Lessee a sixty-day cure period to correct the default. This cure period expired on January 21, 2006. As of January 26, 2006, this breach has not been cured.

Lessee was also served a Notice of Default by certified mail dated 12/09/05 for:

- ☐ Failure to keep lease rental payments current
- ☐ Failure to post required performance bond
- ☐ Failure to post required fire insurance policy
- ☒ Failure to post required liability insurance policy

Said notice, accepted by the Lessee on 12/10/05, offered the Lessee a sixty-day cure period to correct the default. This cure period expires on 02/07/06. As of 01/26/06, this breach has not been cured.

As of 01/26/06, the current status of all lease compliance items is as follows:

RENT: The Lessee has a rental delinquency of \$875.00 for the time period from 10/12/05 to 01/11/06.

The Lessee also has a rental delinquency of \$875.00 for the time period from 01/12/06 to 04/11/06.

INSURANCE: The Lessee *has not* posted the required liability insurance policy.

PERFORMANCE BOND:

The Lessee has posted the required performance bond. This bond is in the form of a share certificate of deposit in the amount of \$7,000.00.

CONSERVATION PLAN:

The Lessee *has not* submitted a conservation plan and has shown no effort in working with NRCS to complete a conservation plan.

The Lessee has been served notice of defaults on two (2) previous occasions. On May 22, 2003 a notice of default was sent certified mail for failure to keep rental payments current, post the required liability insurance and failure to provide the performance bond. This default was cured within the sixty-day cure period. The Lessee was again served notice of default on August 8, 2005 for failure to keep rental payments current and also provide a current liability insurance policy. These delinquencies were cured within the sixty-day cure period.

An inspection of the property in June 2004, revealed little development of the property. No improvements have been made to any of the existing structures. A house on the property had burned down and no effort was made to rebuild it. There was no property insurance for the house as it was of substandard construction and built without the necessary county building permits.

There appears to be a makeshift living area in the former packing shed. Blue tarps separate storage from living areas. The only indication of agricultural activity is a small vegetable garden behind the packing shed (Exhibit B). Staff is therefore recommending that the Board cancel General Lease No. S-4138.

RECOMMENDATION: That the Board:

1. Authorize the cancellation of General Lease No. S-4138 in the manner specified by law;
2. Authorize the retention of all sums heretofore paid or pledged under General Lease No. S-4138 as liquidated damages;

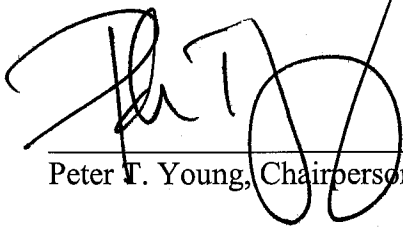

3. Terminate the lease and all rights of Lessee and all obligations of the Lessor effective as of February 10, 2006, provided that any and all obligations of the Lessee which have accrued up to said effective date or which are stated in the lease to survive termination shall endure past such termination date until duly fulfilled, and further provided that Lessor reserves all other rights and claims allowed by law; and
4. Authorize the Department of the Attorney General, the Department of Land and Natural Resources, or their agents to collect all monies due the State of Hawaii under General Lease No. S-4138 and to pursue all other rights and remedies as appropriate.

Respectfully Submitted,

Gordon C. Heit  
Land Agent
